

Brief instructions for Access and Use

To access the Amaut Market Portal the website address is: www.amautmarket.com

The Picture below shows the page from which you can Register (for the new Suppliers who wish to obtain the password to enter their products to Amaut Market) and from which it is possible to access the product entry area (for previously registered Suppliers).

The screenshot displays the AmautMarket.com homepage. At the top, the logo 'AmautMarket.com' is prominent, with the tagline 'Equipment, Machines, Tools and Solutions for your Job' below it. Navigation links include 'HOME | ABOUT US | MISSION | CONTACTS'. A search bar with 'Free search' and an 'Advanced search' button is present. Two main sections are highlighted with orange borders: 'Access' and 'SIGN UP FREE Until 30st June 2016'. The 'Access' section has fields for 'Email' and 'Password' and an 'Access' button. The 'SIGN UP FREE' section has an 'Email' field, a checkbox for 'LEGAL INFORMATION' and 'Privacy policy', and a 'Register' button. Blue arrows point from text instructions to the 'Access / Register' link, the 'Access' button, and the 'Email' field in the registration section.

Register

Click on Log In / Register

At the end of the registration procedure you will receive the password with which, along with the email used for registering, you can access the product entry area

Enter your email address here to start the registration procedure

The Registration procedure requires you to enter your mail in the specific field (“**Register**” box) and click the “Register” button (see above); you will receive additional instructions after a few moments in your email inbox.

After receiving the access password, enter it into the specific field (inside the “**Log In**” box), along with the email address used for the registration.

After logging in with your username and password, at the top, next to the Amaut Market logo you can find the buttons to insert the information about your Company (“**Personal data**” button) and to enter your own products (“**Your products**” button) into the Portal. See the picture below.

Register changes

We remind you that the blue **"Save Changes"** button is used to **save the data in the administration area highlighted in the picture above**, but in order to publish the data to the Amaut Market Portal so that it could be visible by the visitors, it is necessary to tick the specific **"Published"** check box (in the top left of the product entry form).

Finally, after completing and saving the **Product Sheet**, you can enter **the Images and documents as in the Picture below**. With the **“Choose file”** button you can select the product images from your computer (MAIN IMAGE and GALLERY IMAGES) and the attached documents (DOCUMENTS); each box has a legend specifying the type of allowed file and relevant size.

Change "Noleggio Piattaforme aeree semoventi elettriche e..."
